Year 3/4 Tag Rugby Festival

On Thursday 13th October, our Year 3/4 Tag Rugby team enjoyed participating in the Tag Rugby Festival at Beyton Sixth Form Campus, where they enjoyed playing in some competitive matches and some skills challenges. Well done to all of the children who took part! You demonstrated brilliantly to the other schools there, just how good a team you are!

Sport Council

It was a tremendous Sporting Year for the school last academic year and the success couldn't have been achieved without the support and input by our Sport Council. Due to their commitment to school sport and extra-curricular activities last year as Sports Leaders, I am delighted to announce that our new Sport Council members this year are Amy Edwards, Morgan Ruffles, Harry Moore, Libby Bullock and William Narey. Congratulations to all of you and I look forward to working with you!

Sailing

Year 5 and 6 children enjoyed sailing last half term at Alton Water.

After a fantastic course on the water, I am delighted to announce that each child is now working towards their Royal Yachting Association Youth Scheme qualification! There will be a few more sessions to complete the qualification during the Summer Term.

Kayaking

Year 4 and 5 children enjoyed kayaking last half term.

After an exciting course on the water, I am delighted to announce that each child received their British Canoe Union Paddle Power Level 1 qualification, well done everyone!

Young Sports Leaders

I am delighted to announce that we have had another fantastic response from children in Year 6 who would like to be Young Sports Leaders this academic year. Their role and responsibilities throughout the year will be to ensure that sports clubs are run smoothly, and to also help run sporting events such as the Sports Festival, due to be rescheduled. A warm welcome to the new Young Sports Leaders (2016-2017)!

U11 Cross Country

On Thursday 29th October, our U11 Cross Country runners took part in a 2km run at Thurston Community College. The whole team ran brilliantly and finished fourth overall on the day. A fantastic achievement, well done everyone!
