

Music Learning Links in the EYFS

The EYFS framework, and our own EYFS curriculum, is structured very differently to the national curriculum as it is organised across seven areas of learning rather than subject areas.

Based on the statements from the 2020 Development Matters document, this document describes the skills that need to be developed in the EYFS for children to access Music within the national curriculum. The table below outlines the most relevant statements taken from the Early Learning Goals in the EYFS statutory framework and the Development Matters age ranges for Three and Four-Year-Olds and Reception to match the programme of study for Music.

The most relevant statements for Music are taken from the following areas of learning:

- Communication and Language
- Physical Development
- Expressive Arts and Design
