

RE Learning Links in the EYFS

The EYFS framework is structured very differently to learning within key stage one and two as it is organised across seven areas of learning rather than subject areas.

Based on the statements from the 2020 Development Matters document, this document describes the skills that need to be developed in the EYFS for children to access RE within the national curriculum. The table below outlines the most relevant statements taken from the Early Learning Goals in the EYFS statutory framework and the Development Matters age ranges for Three and Four-Year-Olds and Reception to match the programme of the agreed syllabus for RE.

The most relevant statements for RE are taken from the following areas of learning:

- Personal, Social and Emotional Development
- Understanding the World
