One World (1)	**Change Maker Day (Before Easter)**	**Diverse Britain (1)**
This unit is based on a case study of a fictional girl who lives in an African country. The children will explore different aspects of her life in each lesson. It aims to enable the children to explore the concepts of inequality and stereotypes and encourages them to reflect on what they can do to help make the world a fairer place. In this unit, children also learn about climate change and its effects, fair trading practices and organisations that help. They will also learn about being a good global citizen. **Focus** Africa	Year 3 & 4 children are provided with the opportunity to participate in the annual Change Maker Day organised by Year 5 & 6 which enables them to learn about the work of a wide range of charities and voluntary groups who support others.
